EMPLOYEE NOTICE:

EMERGENCY PAID SICK LEAVE AND EMERGENCY FAMILY AND MEDICAL LEAVE EXPIRATION

The Families First Coronavirus Response Act which, in part, mandated the Emergency Paid Sick Leave Act and Emergency Family and Medical Leave Extension Act, expires on December 31, 2020. The SVLD Board of Trustees voted to give staff their regular pay while quadrating or recovering from COVID-19.

Therefore, effective February 2, 2021, to expire September 30, 2021, employees who are absent from work due to COVID-related reasons will be paid regular pay up to 80 hours or more at the desecration of the Library Director.

We ask that all employees do their part in keeping themselves and others safe by practicing good hygiene, wearing required face coverings, and complying with CDC guidelines. If an employee shows symptoms of, tests positive for, or has been in close contact with someone with symptoms or who has tested positive for COVID-19, the employee must contact his/her supervisor prior to reporting to work to discuss options (e.g., paid leave, teleworking).

HR ALERT

FFCRA Leave Remains Optional under the American Rescue Plan Act of 2021

POOL/PACT HR is publishing this important Alert on the status of EPSL and EFMLA. If you have any questions about how this may impact your employment policies or practices, please contact your HR Business Partner for more information.

On March 11, 2021, President Biden signed the "American Rescue Plan Act of 2021" (the "Rescue Plan") which maintains leave under the Families First Coronavirus Response Act (FFCRA) is optional for employers.

Tax credits remain available to employers who elect to continue offering paid leave benefits under the FFCRA through September 30, 2021. At this early stage, there is inconsistent guidance regarding whether tax credits have been extended to local government entities. POOL/PACT HR will keep members posted as the information becomes available.

Employers are not mandated under the American Rescue Plan Act to provide leave under the FFCRA. However, if they choose to continue providing Emergency Paid Sick Leave (EPSL) and/or Emergency Family and Medical Leave (EFML), they must abide by all regulations including the following changes made in the Rescue Plan effective April 1, 2021:

- Paid leave will be allowed for leave that is due to a COVID-19 vaccination including, "obtaining immunization related to COVID-19 or recovering from any injury, disability, illness, or condition related to such immunization."
- Resets the EPSL clock: As of April 1, 2021, every employee gets a fresh round of leave (i.e., 10 days).
- Expands qualifying reasons for EFML to include all six EPSL reasons. (Originally, the only
 qualifying reason for EFML was to care for a child whose school or place of care is closed
 due to COVID.)
- All 12 weeks of EFML are paid up to \$200 and \$12,000 in the aggregate. (Originally, the first 2 weeks were unpaid, but EPSL could be substituted.)
- Disallows tax credits for any employer who discriminates with respect to leave in favor
 of highly compensated employees (as defined in Section 414(q) of the Internal Revenue
 Code); in favor of full-time employees; or on the basis of employment tenure.

Employers may also elect to create a new program with similar benefits in order to provide paid leave to their employees who are impacted by COVID-related conditions rather than extend FFCRA leave. In this case, it is recommended employers confer with legal counsel.

HR ALERT

FFCRA Leave Remains Optional under the American Rescue Plan Act of 2021

Employer should also keep in mind that employees who need leave due to their own or a family member's COVID-related condition may be eligible to take leave under the regular FMLA if the condition qualifies as a serious health condition, or they may be able to use their accrued paid leave. Employers should also consider their obligations under the Americans with Disabilities Act (ADA) to provide reasonable accommodations to qualified employees whose impairment substantially limits one or more major life activities.

POOL/PACT HR will continue to examine the Rescue Plan and will alert members if there is further impact. Please feel free to contact your HR Business Partner with any questions you may have.
