2021—A Year in Pictures

Another year come and gone and 2022 is moving along faster than ever.

As we close out the first month of the year, we should reflect on some of the great times we had in 2021. Every during a global pandemic, we found reasons to smile and make sure we still come together as a community. Whether we were honoring the hard work of our local teachers, hosting events for the community, celebrating employees that represent our Kinross Values, or simply just enjoying an ice cream treat together on a hot summer day, RMGC worked hard to make the best of everything.

Welcome Mat

Aaron Worrell joins the Mine Department. Aaron is from Las Vegas where he worked for Las Vegas Parking, Inc. His hobbies include family, art, travel, and sports.

Noe Garcia joins the Mine Department. Noe is from Rancho Cucamonga, California, and joins brother-in-law Art Sema and son Nicholas Carrasco at RMGC. Noe previously worked for Ventura Foods, LLC. In his free time he likes to spend time with his wife, kids and grandkids.

Michael Austin Pettingill joins the Mine Department. Austin is from Colorado where he worked for Peterbilt. His hobbies include outdoors, riding, camping, and hunting.

Antoine (Tony) Bryant joins the Warehouse. Tony is from Las Vegas where he worked for Arcadia and Associates. His hobbies include sports and dancing.

Trevor Wooldridge joins Mobile Maintenance. Trevor is from Utah where he worked for Fabral Roofing. In his free time, Trevor likes building computers and keyboards, gaming, and playing the guitar.

Brandon West joins the Mill. Brandon is from Carson City where he worked for Sierra Eco Systems. His hobbies include being outdoors, sports and off-roading.

Dan Richards joins the Mine Department. Dan is from Washington and joins his brother Jefferson Zybell at RMGC. Dan has been employed by RMGC previously and by Ash Grove Cement Company more recently. His hobbies include traveling, RV camping, fishing, hiking, exploring, exercising, staying fit and healthy, and community volunteering.

Kevin Johnson joins the Mine Department. Kevin is from California where he was employed as an ironworker. His hobbies include fishing.

Shilo Thompson joins the Mine Department. Shilo is from northern Arizona and previously worked for Shamrock Foods Co. Shilo is related to RMGC employees Josh and Michelle Blythe. Shilo's hobbies are volunteer firefighting, amateur radio, and off-road activities.

MTC Scholarship—Applications Due Soon

It is that time of year when the Round Mountain Senior Class of 2022 will be deciding which paths to take after high school. There are different ways to thrive after high school. Some may choose a traditional four-year college, the military, or a technical school. For students looking for skills that can jump-start their careers, the MTC program through Great Basin College might be a perfect fit. In the fast-paced, 48-week program, students have access to state-of-the-art technologies and will learn skills from qualified faculty. Students are offered the flexibility to attend the courses in the morning, afternoon or evening depending on their schedule.

This year marks the twenty-eighth year since the MTC Scholarship program was established in 1994 by a group of northern Nevada mines and Great Basin College. The goal of the cooperative still holds true for the education and industry partnership today, and that is to grow our own workforce.

Round Mountain Gold offers five scholarships annually to our local Round Mountain, Tonopah, Duckwater Shoshone and Yomba Shoshone students. Students have the options of learning skills in the following fields: Diesel Technology, Electrical Systems, Industrial Millwright, Instrumentation Technology or Welding. Scholarship recipients will have their full tuition covered with the exception of books and housing. Upon graduation from the MTC program students have the opportunity to come back to full time employment at Round Mountain Gold.

Recently RMGC's Corporate Social Responsibility Specialist spoke to the Round Mountain High School's J4NG students about all the great benefits the MTC program at GBC can offer them. (See cover photo.) The process to apply is simple:

Step 1: Apply for the Great Basin College CTE/MTC Scholarship at: www.gbcnv.edu/mtc

Step 2: Complete the GBC General Application for Admission. This must be completed to receive your GBC Student ID number.

Applications for the MTC scholarship are currently being accepted until March 15. Application must include: three references, resume, letter of interest, transcripts, and ACT/SAT or Accuplacer test scores. For more information on the MTC program or questions on how to apply, please reach out to Sam Faga at Samantha.Faga@kinross.com.

Do You Have Free-Roaming Cats in Your Neighborhood?

Smoky Valley FFA and Franklin's Friends Can Help!

The most humane, effective way to reduce the number of cats living on our streets is to spay or neuter!

Here's how it works:

1. Contact Miss Tran at htran@nyeschools.org or text 979-251-1230
2. We will deliver a trap to you on Monday, Feb. 7.
3. You set the trap.
4. We will pick up in the evening of Wednesday, Feb 9.
5. Cats are covered and transported in a horse trailer to the vet in Las Vegas.
6. Cats are checked by vet to make sure they are in good health before undergoing surgery.
7. Cats are ear tipped and vaccinated.
8. Cats are returned to you late Thursday night.
We ask that you provide them with food and water and a warm, dry place to recover.

It's FREE and is all made possible by FFA Living to Serve Grants that are sponsored by :
