RMGC Offers Five MTC Scholarships

CSR Specialist Sam Faga presents to the J4NG classes at Round Mountain High School. She shared with them the opportunities available through the cooperative program offered through Great Basin College in Elko known as the MTC Scholarship. Read more on page 2.

MTC Scholarship—Applications Due Soon

It is that time of year when the Round Mountain Senior Class of 2022 will be deciding which paths to take after high school. There are different ways to thrive after high school. Some may choose a traditional four-year college, the military, or a technical school. For students looking for skills that can jump-start their careers, the MTC program through Great Basin College might be a perfect fit. In the fast-paced, 48-week program, students have access to state-of-the-art technologies and will learn skills from qualified faculty. Students are offered the flexibility to attend the courses in the morning, afternoon or evening depending on their schedule.

This year marks the twenty-eighth year since the MTC Scholarship program was established in 1994 by a group of northern Nevada mines and Great Basin College. The goal of the cooperative still holds true for the education and industry partnership today, and that is to grow our own workforce.

Round Mountain Gold offers five scholarships annually to our local Round Mountain, Tonopah, Duckwater Shoshone and Yomba Shoshone students. Students have the options of learning skills in the following fields: Diesel Technology, Electrical Systems, Industrial Millwright, Instrumentation Technology or Welding. Scholarship recipients will have their full tuition covered with the exception of books and housing. Upon graduation from the MTC program students have the opportunity to come back to full time employment at Round Mountain Gold.

Recently RMGC’s Corporate Social Responsibility Specialist spoke to the Round Mountain High School’s J4NG students about all the great benefits the MTC program at GBC can offer them. (See cover photo.) The process to apply is simple:

Step 1: Apply for the Great Basin College CTE/MTC Scholarship at: www.gbcnv.edu/mtc

Step 2: Complete the GBC General Application for Admission. This must be completed to receive your GBC Student ID number.

Applications for the MTC scholarship are currently being accepted until March 15. Application must include: three references, resume, letter of interest, transcripts, and ACT/SAT or Accuplacer test scores. For more information on the MTC program or questions on how to apply, please reach out to Sam Faga at Samantha.Faga@kinross.com.

CSR Snippet

RMGC’s Corporate Responsibility Update

- Round Mountain Mine is an important part of the economy in Nye County, contributing on average 23% of total county tax revenues and 67% of Northern Nye county hospital district revenues 2018-2020
- Round Mountain is important to Nevada’s economy, with a total benefit footprint in 2020 of \$444 million, \$368 million was spent in Nevada (2021 contributions to be shared soon)
- Our contribution to local school taxes equate to an average of \$1,200 per enrolled student in Nye County

4-H News

On Friday, November 5, the Northern Nye County 4-H conducted a Day Camp with 19 youth attending. Four groups—ages from 5 to 12 years old—rotated from station to station for hands-on learning about Nevada Agriculture; how animals prepare for winter; wheat to eat – they got to grind wheat, make waffles, while learning the process in between; they made mosaic candle holders and pinecone turkeys; fall customs in different countries; they did leaf/foil rubbings and learned why leaves change color; pumpkins were painted, the attendees played games, ate lunch, and played harvest bingo.

Thank you to Round Mountain Gold for providing lunch and all parents who let us invest in your children. Thank you also to Sara Sweeney, Elizabeth Keefner, Dianne Clouser and Tinker Evans for volunteering and all the hard work they contributed. Thank you to the town of Round Mountain for the use of the Simpson Center.

For upcoming 4-H activities and University of Nevada Extension information please see us at Northern Nye & Esmeralda Counties 4H Facebook.

If your children ages 5 to 19 would like to join, please contact Carol Shilling at 307-389-1704 or Sara Sweeney at 775-232-8084
